

PL-LUMINAIRE 9 W, 230 V 230/50 Clear Cover / Product no / SSTL: 43 070 09

PL-LUMINAIRE 9 W, 230 V, IP 67

Thanks to its sturdy construction, the luminaire is suited to use in wet areas in industry and sites where there is a large danger of breakage. The globe is of impact-resistant polycarbonate and is mounted with four screws. The housings have 2 aluminum cable gland seals PG 16.

Terminals 2 x 4 mm² + 1 x 2.5 mm². Transparent and opal globe options. The globes are also available painted or with text labels. The colour of the luminaire frame is brown, beige RAL 7032, white 9010, white 9016 or as specified separately by the customer. In addition, we offer models for different voltages and frequencies and, alternatively, with an incandescent lamp as the light source, E14, max. 15W.

Compensated marine models come with nitrile rubber seals and a separate lamp support. By special order, with M24 x 1.5 penetration threading. Through connection models also available. Delivered without a light source.

VOLTAGE	Max 250 V.
ENCLOSURE CLASS	IP 67
CONNECTORS	Screw terminals
PENTRATIONS	We equip the luminaires with aluminum PG 16 cable gland seals.
